

ABOUT LAKEVIEW HEALTH HOLDINGS

Founded in 2001, Lakeview Health Holdings is comprised of a corporate office in Deerfield Beach, Florida and three addiction treatment and recovery centers. Over the past 17 years we have treated 20,000 individuals.

OUR MISSION

We are committed to healing the lives of individuals, families, and communities by navigating them through their recovery journey.

OUR VALUES

- Integrity
- Trust
- Accountability
- Caring
- Putting Patients First
- Teamwork
- Commitment to Quality
- Respect

We offer integrity in all endeavors. We believe in being honest, transparent, and delivering the best care possible. To do this we draw upon the most current research and data-informed practices to deliver an integrated health approach.

ABOUT LAKEVIEW HEALTH AT JACKSONVILLE

Opened in 2001, we offer comprehensive, high quality treatment for adult men and women who struggle with substance use disorders as well as underlying co-occurring disorders. Our dual-diagnosis care addresses:

- Trauma
- Post-Traumatic Stress Disorder (PTSD)
- Depression
- Mood Disorders
- Personality Disorders
- Anxiety
- And more

OUR CAMPUS

- **10,000 s.f. Wellness Center**
- **True North Conference Center**
We host 3-day family workshops, professional education events, and alumni support groups
- **Administrative Building**

ACCREDITATIONS, CERTIFICATIONS, LICENSES, AND MEMBERSHIPS

NATIONAL ASSOCIATION
OF
ADDICTION TREATMENT PROVIDERS

MEDICAL MODEL

Led by board certified medical providers and licensed therapists, our multidisciplinary team works to ensure individuals have the skills and healthy coping strategies necessary for life beyond the treatment environment.

- Ability to address and treat acute medical needs
- Onsite full-time psychiatric and medical physicians
- Offer medication management
- Available ancillary services including non-narcotic pain management

CLINICAL PROGRAM

Masters-level and licensed clinicians trained in dual-diagnosis and addiction treatment. This is a 12-step based program with individualized treatment plans that utilize the specialty groups, services, and programs offered.

LEVELS OF CARE

- Medically Monitored Detox
- Inpatient Rehab Program
- Residential Treatment
- Partial Hospitalization Program (PHP)
- Intensive Outpatient Program (IOP)

MODALITIES USED

- Dialectical Behavior Therapy (DBT)
- Cognitive Behavioral Therapy (CBT)
- Family Therapy
- Motivational Interviewing
- Trauma-Informed Care
- Wellness
- And others

PROGRAMS AND SERVICES

- **Gender-Responsive Treatment**
Men and women experience treatment completely separate from the opposite gender. The gender-responsive facilities use intentional environment, curriculum, and programming to meet the unique needs of women and men.
- **Professionals Program**
Designed to address professional impairment, professional boundaries, monitoring, vocational impacts, relapse prevention, and professional health and wellbeing.
- **Pain Recovery Services**
The pain recovery service monitors for benefits vs. adverse effects of the individual's personalized multi-modal treatment plan, making adjustments accordingly. The first rule is to "do no harm."
- **Medication-Assisted Treatment (MAT)**
- **Neuropsych Testing**
- **Physical Therapy**
- **Fitness and Wellness Coaching**
- **Transcranial Magnetic Stimulation (TMS)**
- **Aftercare Services**
- **Certified Recovery Coaching**
- **Alumni Program**
